WEDF Tattoo - Design Brief

So, if we all had a tattoo to symbolise our belonging to the creative industries in the West of England (Bristol and Bath) what would it look like? How can you encompass all it is to live in this wonderful part of the world and be paid to do what we love in a single tattoo?

Always wanted to design a tattoo but never had a brief - this is for you.

The lovely people at Awesome Merch will be printing the winning designs for us all to (temporarily) wear with pride on the night - you never know you might like your design so much that you'll end up getting it inked for real!

Send us an email with your design attached by 17 May 2019 to:

hello@wedesignforum.co.uk

We will be printing and displaying all the designs on the night and there will be a tattoo sponge station - if you can't wait until you get home to be inked!

Get busy!

Specifications

- ◆ *The final tattoo will be printed 70mm (h) x 100mm (w) so please design to fit these proportions.*
- ◆ *Create your artwork with the resolution at 300dpi - the larger and clearer your file is, the better the result when printed. Hi-res CMYK colour PDF or TIF is ideal.*
- ◆ *Use text wisely - remember what size tattoo you are designing for.*
